Student Webinar on Cloud Computing Basics

The Coimbatore Chapter of the Computer Society of India (CSI) organized a successful Student Webinar Series on "Master Cloud Basics" on April 24, 2024. The session aimed to equip students with fundamental knowledge of cloud computing.

Experienced Speaker Guides Students:

Ms. Nivashini Rajan, a Junior Cloud Engineer at Tata Communications and a final year Computer Science student with Data Analytics specialization at PSG College of Arts & Science, Coimbatore, served as the resource person.

Compelling Content:

Ms. Nivashini's insightful talk delved into the history of cloud computing, explored various use cases for cloud services, explained cloud deployment models, and addressed the crucial topic of cloud security.

Nationwide Participation:

The webinar attracted participation from faculty members and students across diverse colleges in India, fostering knowledge sharing across geographical boundaries.

Interactive Learning Environment:

The session concluded with an engaging Q&A session, allowing students to clarify their doubts and delve deeper into the subject matter.

Welcomes and Acknowledgments:

Dr. L Venkatesan, Vice-Chairman of CSI Coimbatore Chapter, extended a warm welcome to the virtual audience. Dr. E K Girisan, Secretary of the chapter, delivered the vote of thanks, expressing gratitude to the speaker and participants. Additionally, Chairman Mr. Saravana Kumar R briefly touched upon upcoming events organized by the CSI Coimbatore Chapter.
