Inauguration of CSI Student Branch

Department of Computer Science and Engineering of Akshaya College of Engineering and Technology Inaugurated CSI Student Branch on 17-09-2013 at the college conference hall by 03:00 pm.

Dr.J.Jaya,Principal, Akshaya College of Engineering and Technology delivered the welcome address followed by lighting the lamp by the dignitaries. Dr.K.Thanushkodi, Director, Akshaya College of Engineering and Technology honoured the chief guest with a shawl and memento. He delivered the Presidential address in which he briefed on the developments of the department and insisted the students to become a CSI member. Also he stressed on the benefits of becoming a CSI Member. He expressed his pleasure on opening the new student's branch and asked everyone to organize more such activities through this chapter so that the students may get benefited.

Mr.S.Balaji, Assistant Professor, Department of Computer Science and Engineering introduced the Chief Guest to the gathering. The honourable chief guest of the event Prof.Prashanth.R.Nair, CSI State Student Coordinator, delivered the Inaugural address. His speech was highly informative and he motivated Students to update themselves with the latest trend in industry through CSI Student Branch. Also he highlighted the various CSI activities.

The Chief Guest addressed about CSI services like world class computer journal, eNewsletters, articles, R&D projects, free seminars, tutorials, training programs employability enhancement programs, project guidance, scholarships, placement training, student live chart etc.

He explained about various CSI awards & honors like CSI IT Excellence Awards, CSI YITP Awards, e-Governance Awards and CSI Service Awards. Also he informed that CSI provides series of certification programs. Then he added that the students have to avail of all these services and should improve their profile, must gain expertise to survive in this competitive world. In addition to it he also said that India became super power in IT industry and also many countries depend on India for their software application development.

The prime objective of CSI is focusing on student academics, research, industry and government. Further, he advised the students to improve their knowledge, attitude, skill and other characteristics and also to enhance themselves with multidimensional skills.

The chief guest then released the educational institution membership certificate as well as the CSI student branch certificate and the function was further succeeded by the introduction of office bearers by Ms.B.Vinitha Subashini, Assistant Professor, Department of Computer Science and Engineering, Akshaya College of Engineering and Technology. The programme ended with

a vote of thanks delivered by Mr.S.Gowtham, Student Chairman, CSI Student Branch, Department of Computer Science and Engineering, Akshaya College of Engineering and Technology.

The programme took place in the august presence of Managing Trustee Shri A.Nagarasan, Chairman Shri T.Subramaniyan, Secretary Shri K. Pavithran, Director Dr.K.Thanushkodi, Joint Director Dr.N.Suguna, Principal Dr.J.Jaya, Prof.P.Damodharan, Head of the Department, Department of Computer Science and Engineering, Faculty members and students of Computer Science and Engineering Department.
